SCUDDER FALLS PROJECT LANE CLOSURES SUSPENDED FOR LABOR DAY HOLIDAY WEEKEND

As stipulated in the Scudder Falls Bridge Replacement Project's construction contract, a lane-closure moratorium will be in effect for the 4.4-mile-long project area during the upcoming Labor Day Holiday weekend, the Delaware River Joint Toll Bridge Commission announced today.

All project-related lane closures are scheduled to be lifted no later than 6 a.m. Friday, Sept. 1. The moratorium on lane closures will then remain in effect until noon Tuesday, Sept. 5.

More information and videos on the bridge replacement project are available at www.scudderfallsbridge.com.
