NEW YEARS EVE WEEKEND LANE-CLOSURE MORATORIUM FOR SCUDDER FALLS PROJECT AREA STARTS FRIDAY

Scheduled Travel Restrictions May Resume Tuesday Afternoon

LOWER MAKEFIELD, PA – The Delaware River Joint Toll Bridge Commission today announced that all travel lanes through the Scudder Falls Bridge Replacement Project construction zones in Pennsylvania and New Jersey will remain open through the upcoming New Years Eve holiday weekend.

A moratorium on project-related travel restrictions is scheduled to begin 6 a.m. Friday, Dec. 29, and remain in effect until at least noon Tuesday, Jan. 2, 2018.

Motorists are still urged to reduce speeds and exercise caution when travelling through the project area, even when there are limited construction activities or work is suspended.
