SPECIAL TRAVEL ALERT – Wednesday, December 20

TRAVEL DELAYS POSSIBLE FOR EMERGENCY PAVEMENT REPAIRS ALONG I-95 SOUTH IN LOWER MAKEFIELD, PA WEDNESDAY

LOWER MAKEFIELD – Motorists might encounter travel delays as work crews carry out a series of emergency pavement repairs along I-95 southbound in Lower Makefield, PA. TOMORROW, Wednesday, Dec. 20.

A single-lane travel pattern will be in effect 2 a.m. to 2 p.m. Wednesday along I-95 south on the Pennsylvania side of the Scudder Falls Bridge. Movements of construction equipment and construction vehicles could cause traffic queuing and delays during the restricted-travel period.

Motorists using I-95 southbound in the Pennsylvania section of the project area are advised to reduced speeds, exercise caution and allow extra time to reach their destinations on Wednesday.
